UNICORN TWISTER

SUPPLIES NEEDED:

- Cardstock
- Straw
- Brad
- Optional: Laminator
- Optional: Plastic tablecloth

ASSEMBLY DIRECTIONS:

1. Print “Spinner Board” and “Arrow” on cardstock (optional: laminate)
1. Cut out arrow.
2. Cut straw to length of arrow.
3. Attach arrow to straw and spinner board with a brad. Make sure it is a little loose so there is room for the arrow to spin.
4. Print out unicorns onto cardstock (optional: laminate).
5. Place unicorns into typical “twister” layout OR have some fun and arrange them around the space.
6. Optional: Glue or tape the unicorns onto a plastic tablecloth.

TO PLAY:

1. Choose a “caller.”
2. The caller spins the arrow and calls out directions to see where hands and feet go.
3. If you fall you are “out.”
4. Last person standing wins!
