If you're in a hungry mood, go here  
first and find some food

At Christmas season me and  
my kin we shelter the gifts.

this is the place you go pee.

Feed me | will survive give me drink  
and | shall die

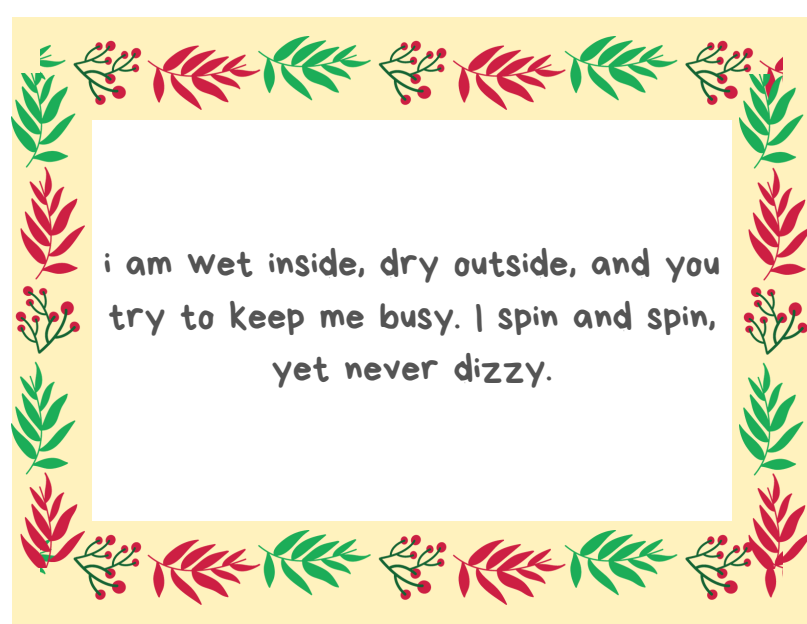

Tucked under a fold, in the common  
room, is where you shall find your  
next clue.

disclose look where you might find  
Chex or maybe Cheerios.

your piggies

try to keep me busy. I spin and spin,  
yet never dizzy.

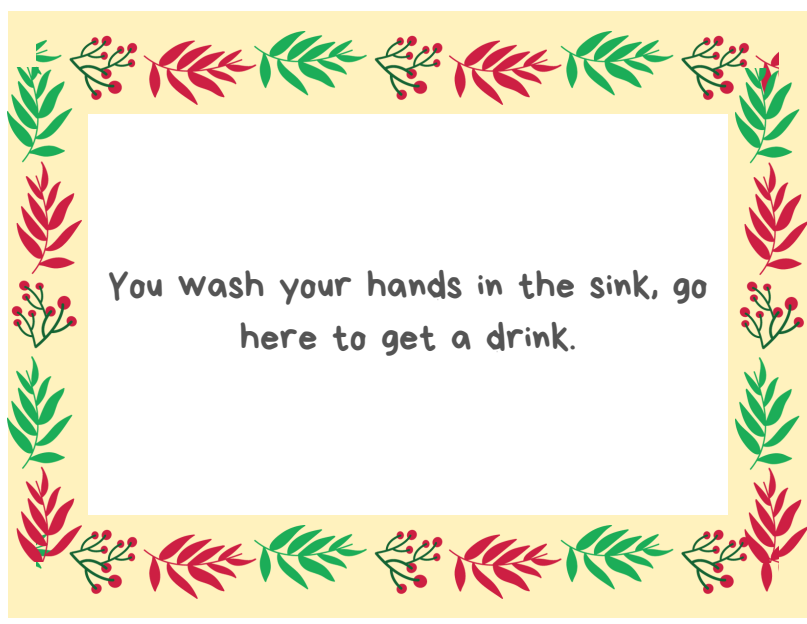

Yer perch may be where it all  
begins. Open the door and you may  
be let in.

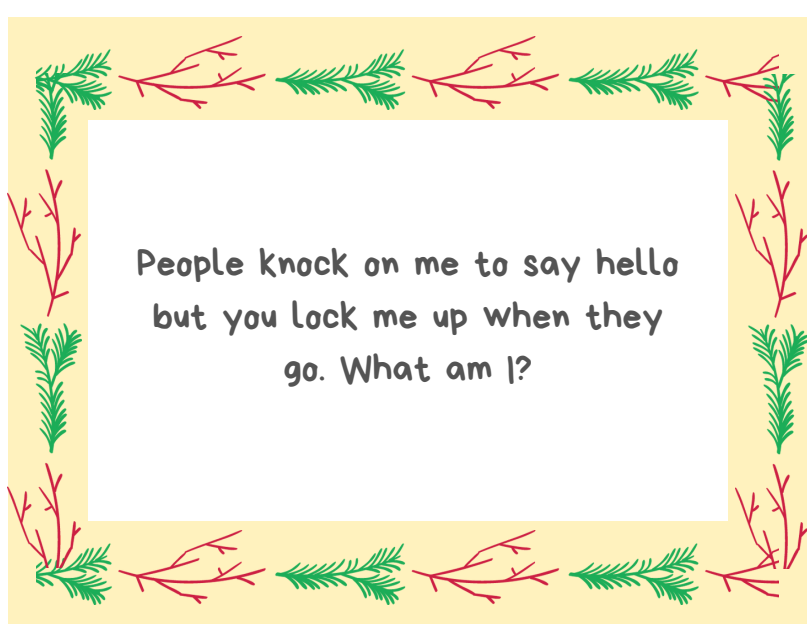

Where tulips, roses, and daisies sleep.

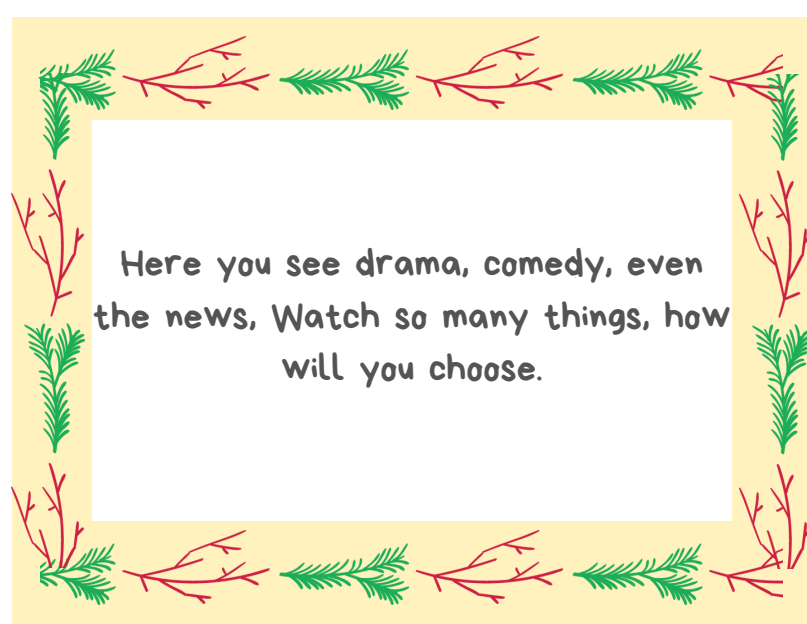

Look for the shoes to continue the  
clues.

You wash your hands in the sink, go  
here to get a drink.

but you lock me up when they  
go. What am I?

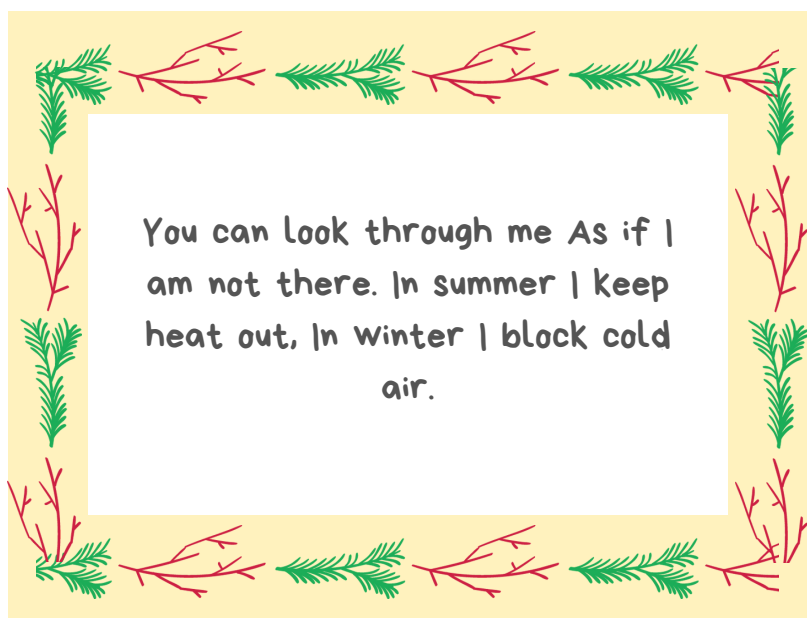

Here you see drama, comedy, even  
the news, Watch so many things, how  
will you choose.

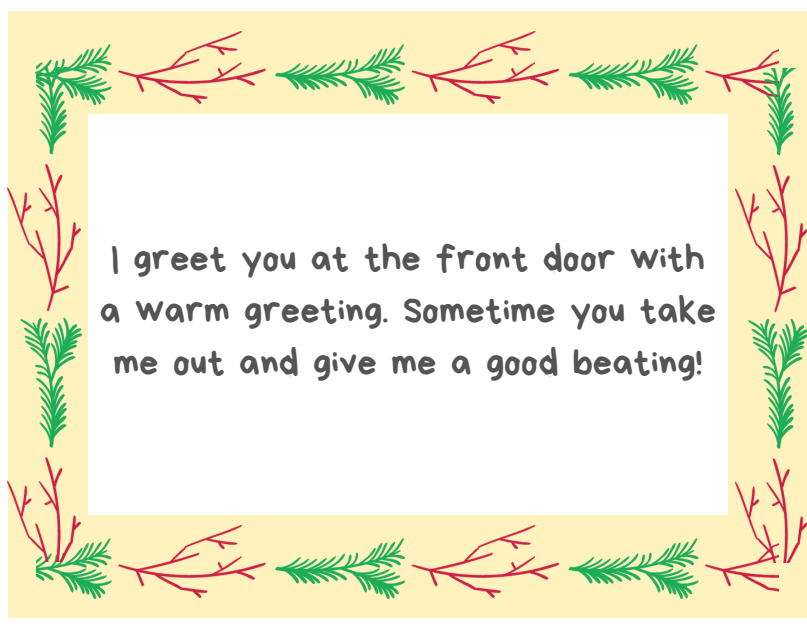

Where do the bills come in?

If you are able, add T

You can look through me As if I
